Nikki Patel joined the Firm in 2008 and became a partner in 2014. Nikki's practice includes representing homeowners and community associations, litigating insurance defense cases and handling employment law matters. Her community association practice includes corporate and transactional matters, general counsel, litigation, enforcement and collections. Her employment law practice includes representing clients at the administrative, state and federal levels. Nikki is a member of the Education Committee of Community Associations Institute as well as on the board of The Leadership Centre. She has taught a number of courses for both organizations as well as in house seminars.

Nikki enjoys traveling, spending time with family and friends and following college football and basketball, particularly the Kentucky Wildcats.
